

Certificate of Analysis

Chromotrope 2B Solution

PurReagent

Product Number	PSR46886	CAS No.	NA
Brand	Puresynth	Lot No.	C46886CL0425
Molecular Formula	NA	Date of Mfg.	April,2025
Molecular Weight	NA	Date of Exp.	March,2028

Test	Specification	Result
Appearance	Clear purple violet liquid	Complies
Sensitivity	Passes test (Cr, Ti, nitrates and formaldehyde)	Passes test

Condition: Store at room temperature.

Remark: The batch complies with the prescribed quality of the above specification.
