

## Product Specification

Product Name:

**Mexiletine EP Impurity B, PurCert**

Product No.: PSR50777  
Brand: PureSynth  
CAS No.: 53012-41-2  
Molecular Formula: C<sub>11</sub>H<sub>14</sub>O<sub>2</sub>  
Molecular Weight: 178.23 g/mol

| Test                                 | Specification                                                   |
|--------------------------------------|-----------------------------------------------------------------|
| Appearance                           | Colorless to pale-yellow to light Orange to yellow-brown liquid |
| Purity                               | ≥ 95.0 %                                                        |
| Identification by <sup>1</sup> H-NMR | Conforms to structure                                           |
| Identification by Mass               | Conforms to Molecular mass                                      |
| Identification by IR                 | Conforms to structure                                           |

Specification: PC-1.0-QA/1150
