

## Certificate of Analysis

Product Name:

**Sodium dodecyl sulfate, Electrophoresis grade, ≥ 99.0 %**

Product No.: PS1921  
Lot No.: Sample COA  
Brand: PureSynth  
CAS No.: 151-21-3  
Molecular Formula:  $C_{12}H_{25}NaO_4S$   
Molecular Weight: 288.38 g/mol  
Date of Mfg.: NA  
Date of Exp.: NA

| Test                                               | Specification                  | Result                         |
|----------------------------------------------------|--------------------------------|--------------------------------|
| Appearance                                         | White Shiny Crystalline powder | White Shiny Crystalline powder |
| Assay                                              | ≥ 99.0 %                       | 99.10 %                        |
| Solubility - Color (In H <sub>2</sub> O)           | Colorless to faint yellow      | Colorless                      |
| Solubility - Turbidity (In H <sub>2</sub> O)       | Clear                          | Clear                          |
| Chloride (Cl)                                      | NMT 0.03 %                     | 0.01 %                         |
| Heavy metals (As Pb)                               | NMT 2 ppm                      | < 2 ppm                        |
| Phosphate (PO <sub>4</sub> )                       | NMT 1 ppm                      | < 0.5 ppm                      |
| Trace impurities - Iron (Fe)                       | NMT 1 ppm                      | < 1 ppm                        |
| Absorbance at 280 nm<br>(3 % w/v aqueous solution) | NMT 0.1                        | 0.009                          |
| DNase activity                                     | Not detected                   | Not detected                   |
| RNase activity                                     | Not detected                   | Not detected                   |
| Suitability for use in denatured PAGE              | Suitable                       | Suitable                       |

### Remarks:

This is to certify that the mentioned batch has been analysed at the time of quality release and has been found to be in compliance with prescribed specifications

The current Specification sheet may be available at [www.pure-synth.com](http://www.pure-synth.com)

Inspect on receipt

### Storage Condition:

Store at Room temperature and keep the container tightly closed

PureSynth Research Chemicals GmbH

*This is electronically-generated copy & is valid without a signature*

**\*Traceable to Internal Reference Standard.**

The Certificate of Analysis (COA) is valid only for the lot specified and within the product's shelf life. Retesting is recommended after the expiry date or if storage conditions are compromised. We guarantee a proper quality within our General Conditions of Sales. The conditions are subject to change without prior notice.
