

## Certificate of Analysis

Product Name:

**Phenol PurChrom Ultra Eluent additive for LC-MS**

Product No.: PSR50609  
Lot No.: Sample COA  
Brand: PureSynth  
CAS No.: 108-95-2  
Molecular Formula: C<sub>6</sub>H<sub>6</sub>O  
Molecular Weight: 94.11 g/mol  
Date of Mfg.: NA  
Date of Exp.: NA

| Test                  | Specification                                             | Result                |
|-----------------------|-----------------------------------------------------------|-----------------------|
| Appearance            | Colorless to light yellow or red powder to lump to liquid | Colorless Powder      |
| Assay (By GC)         | ≥ 99.0 %                                                  | 99.80 %               |
| Water (By KF)         | NMT 0.5 %                                                 | 0.202 %               |
| Clarity of solution   | Complies                                                  | Complies              |
| Non-Volatile Matter   | NMT 0.05 %                                                | 0.001 %               |
| Chloride (Cl)         | NMT 0.0005 %                                              | < 0.0005 %            |
| Heavy Metal (as Pb)   | NMT 0.001 %                                               | < 0.001 %             |
| Iron (Fe)             | NMT 0.0001 %                                              | < 0.0001 %            |
| Identification by IR  | Conforms to Structure                                     | Conforms to Structure |
| Suitability for LC-MS | Complies                                                  | Complies              |

### Remarks:

This is to certify that the mentioned batch has been analysed at the time of quality release and has been found to be in compliance with prescribed specifications

The current Specification sheet may be available at [www.pure-synth.com](http://www.pure-synth.com)

Inspect on receipt

### Storage Condition:

Store at a room temperature and keep the container tightly closed.
