

## Certificate of Analysis

Product Name:

**(±)-Menthol PurCert Secondary Reference Standard for GC (Traceable to EP CRS)**  
**[Includes all characterization data]**

Product No.: PSR37358  
Lot No.: Sample COA  
Brand: PureSynth  
CAS No.: 89-78-1  
Molecular Formula: C<sub>10</sub>H<sub>20</sub>O  
Molecular Weight: 156.27 g/mol  
Date of Mfg.: NA  
Date of Exp.: NA

| Test                                      | Specification                                     | Result                  |
|-------------------------------------------|---------------------------------------------------|-------------------------|
| Appearance                                | White or Colorless Powder or Lump or Clear Liquid | White Powder            |
| Assay (By GC)<br>(Mixture of Enantiomers) | ≥ 98.0 %                                          | 99.50 %                 |
| Water (By KF)                             | NMT 0.500 %                                       | 0.130 %                 |
| Potency                                   | -                                                 | 99.37 %                 |
| Density                                   | 0.860 – 0.920 g/cm <sup>3</sup>                   | 0.890 g/cm <sup>3</sup> |
| Identification by <sup>1</sup> H NMR      | Conforms to structure                             | Conforms                |
| Identification by Mass                    | Conforms to molecular mass                        | Conforms                |
| Identification by IR                      | Conforms to structure                             | Conforms                |

**\*Traceable to EP Reference standard M0350000, Lot No.: 6.**

### Remarks:

This is to certify that the mentioned batch has been analysed at the time of quality release and has been found to be in compliance with prescribed specifications

The current Specification sheet may be available at [www.pure-synth.com](http://www.pure-synth.com)

Inspect on receipt

### Storage Condition:

Store at temperature of -20°C and keep the container tightly closed

PureSynth Research Chemicals GmbH

*This is electronically-generated copy & is valid without a signature*

The Certificate of Analysis (COA) is valid only for the lot specified and within the product's shelf life. Retesting is recommended after the expiry date or if storage conditions are compromised. We guarantee a proper quality within our General Conditions of Sales. The conditions are subject to change without prior notice.

For queries on this COA, please contact our technical team at [technical@pure-synth.com](mailto:technical@pure-synth.com)
